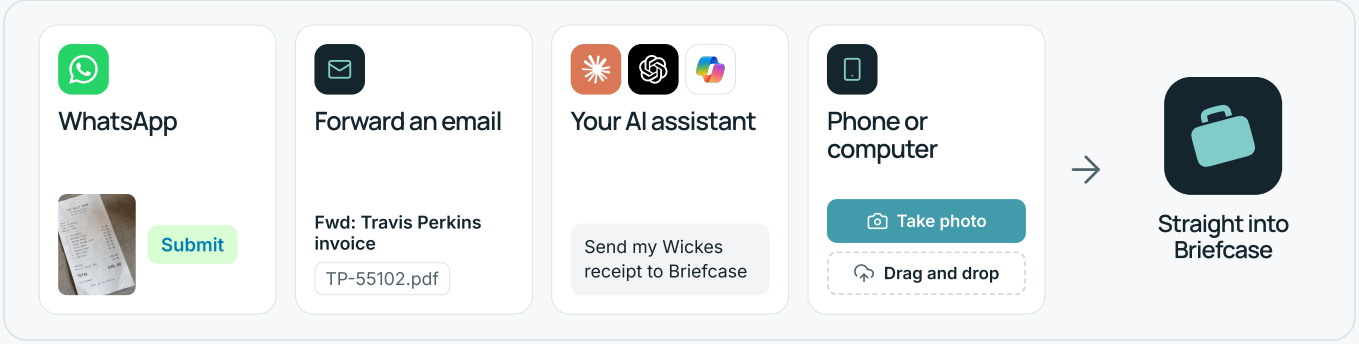
Briefcase

Nothing new to learn. More to show for it.

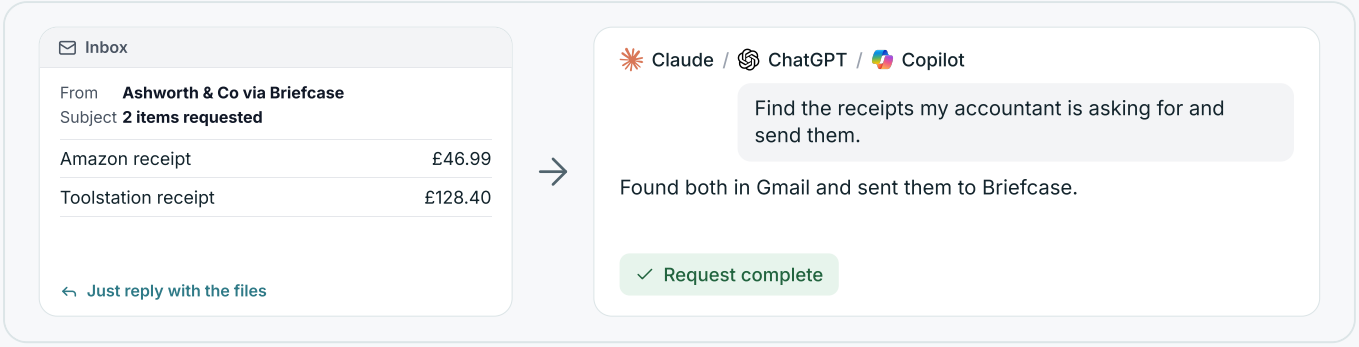
01 Easy uploads, wherever you are

WhatsApp, email, your phone or your AI assistant. It all goes straight into Briefcase.



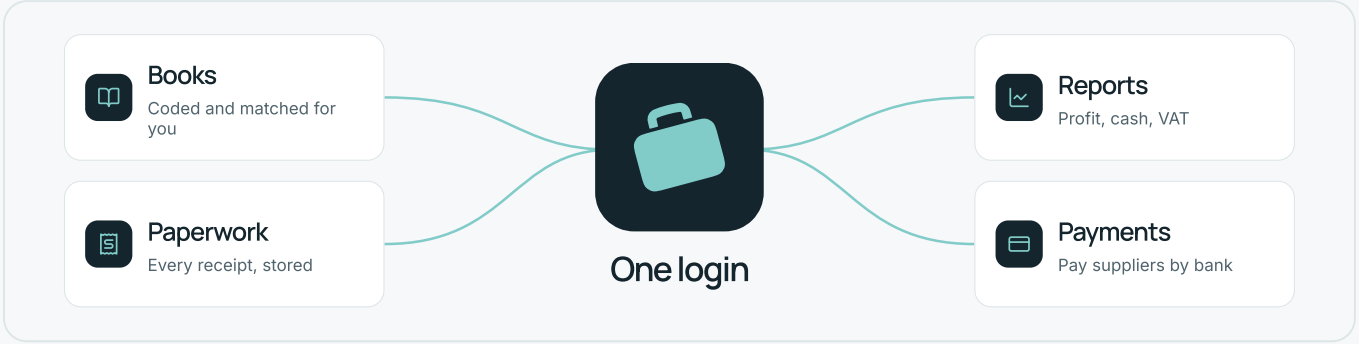
02 Answer requests in seconds

Reply with the files, or ask Claude, ChatGPT or Copilot to find them. Keep up to date wherever you are.



03 All in one place

Your books and numbers under one login, up to date all year.



Next: Switch in minutes. Three steps, about five minutes. See how to switch →
