Briefcase

Big things start with good books.

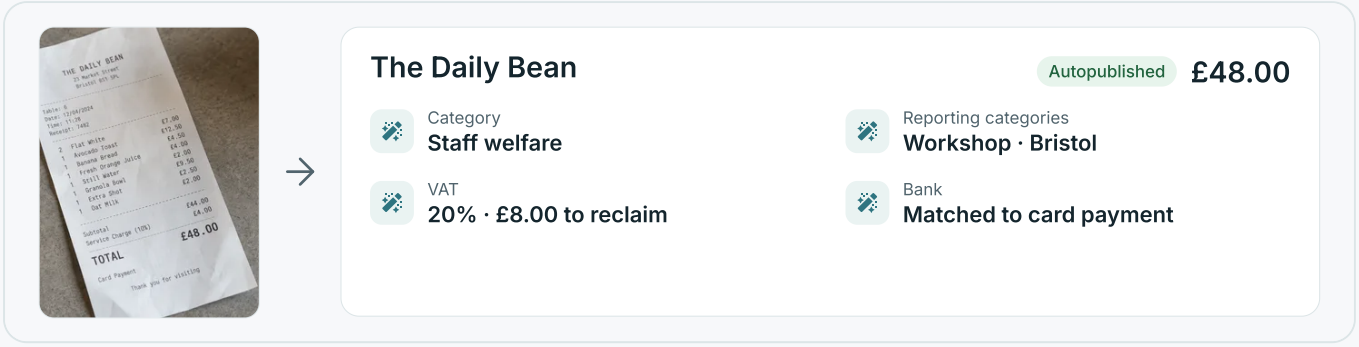

01 Easy uploads, wherever you are

WhatsApp, email, your phone or your AI assistant. It all goes straight into Briefcase.

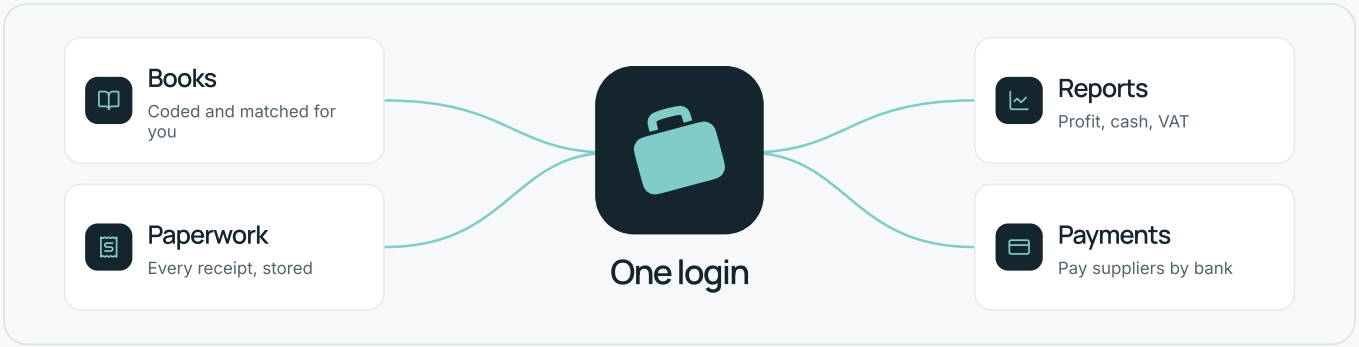

02 Automated bookkeeping

Autopilot picks the category, reporting categories and VAT, and matches your bank.

03 All in one place

Books, paperwork, reports and payments under one login.

Next: Switch in minutes. Three steps, about five minutes. See how to switch →
